Dear Council Member,

The NOCCA Executive Board would like to extend a warm welcome to all returning Northeast Ohio City Council Association (NOCCA) members. If your Council is not a member, we would like to invite you to join NOCCA at this time.

NOCCA provides members with a forum for improving their skills and effectiveness; exchanging ideas and information; enhancing the professional skills and development of its members; and facilitating communication and collaboration among communities on issues of local and regional importance.

We encourage you to support your Council to remain, or become, members of our outstanding organization. NOCCA is for Councilmembers the equivalent of the Mayors & Managers Association for Mayors and City Managers.

The dues structure is currently **one fee of \$400.00 for a city to register up to nine Councilmembers**. Larger cities pay a proration accordingly for any additional Councilmembers. Though our membership is limited to Councilmembers only, Mayors and other guests may attend our events and pay a fee per occasion.

Paid NOCCA members attend all of our meetings at no charge and are entitled to vote on organizational matters. NOCCA offers quarterly programs and speakers that address topics relevant to all communities.

Please request that your Clerk of Council completely fill out and submit the application provided in the Clerk mailing, along with payment for your city's dues.

We hope to have your city join us for the coming year and look forward to continuing to provide a valuable experience for our members. **Don't forget to check out our website (www.noccassoc.org) which includes further information!**

Sincerely,

Peggy Cleary, President
